- Clear photocopies of evidence of qualifications as described in the application and CV
- Evidence of experience
- Written permission from their employer to participate in the project

Position description

The main aim of the WP is to train trainers on the adapted methods in order to provide them with the skills necessary in order to transfer the methods to teachers of multicultural schools in their countries and in Europe (in general).

The training of trainers is going to be organised with a blended method (face to face learning and e-learning). The face to face seminar is going to be organised in the framework of the 3rd transnational meeting in Cork. The selected trainers are going to participate in the 3-day training seminar that is going to be organised in Cork. During these 3 day seminars the training is going to be organised on the basis of lectures, interactive activities and exercises, theoretical and practical part. The aim of the training seminar will be to equip the trainers with the necessary skills in order to transfer the adapted methods to teachers in their country as well as all over Europe. After the end of the training activity in Cork, the
